

RAMP Team Login

Maritime Club Championship Website: <https://mcc.soccerns.ca>

Team Login URL: <http://ramplogin.com>

Team Logins – all team head coaches and managers have been e-mailed username and passwords to be able to login to the team page. Teams who do not have a coach or manager listed will not have received this information.

1. Use the team login link (above) and create a new unified RAMP login account if you do not already have one. This is the same login used for the for RAMP Team App, RAMP GameSheets or RAMP Assigning account. [CLICK HERE](#) to view an instructional video.

Welcome

Sign in with your RAMP account to access all products in one place. This is the same account used for RAMP Team App.

Create Account

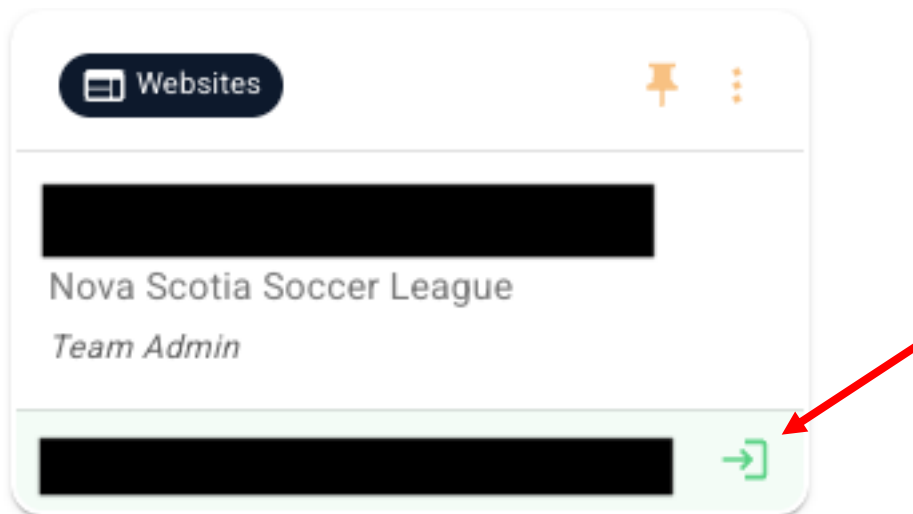

2. Once logged into this page click on the tile labelled Website Admin in the Add RAMP Admin Access section.

3. Enter the Login and Password for your team sent to registered head coaches and team managers in the fields and click save.

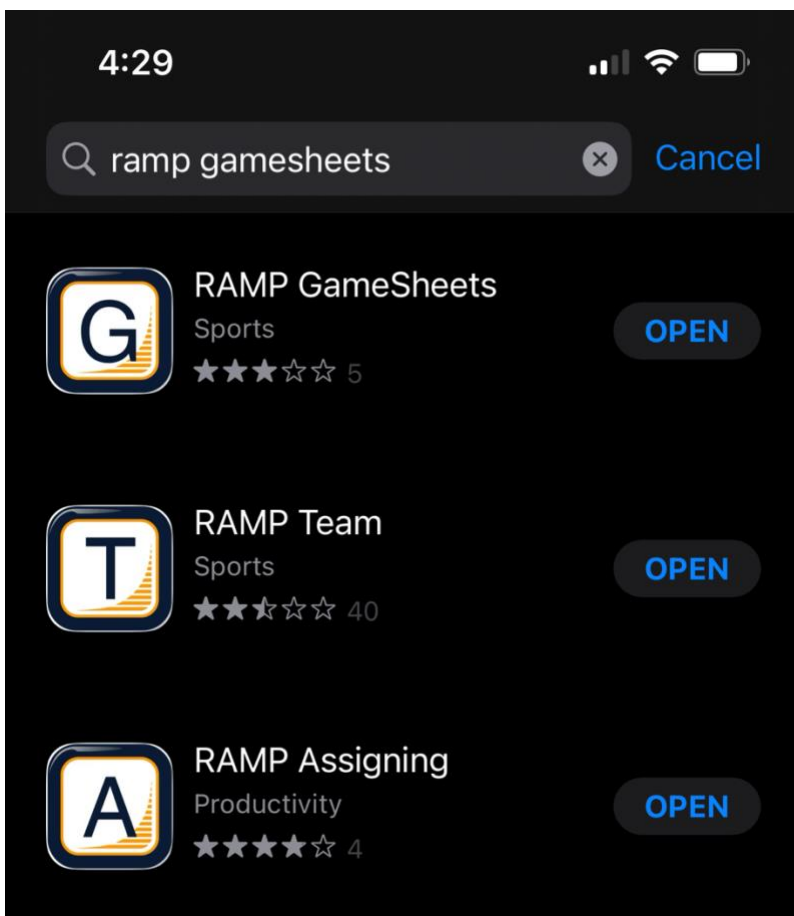

4. Once saved click on the green icon in the bottom right corner of the tile.

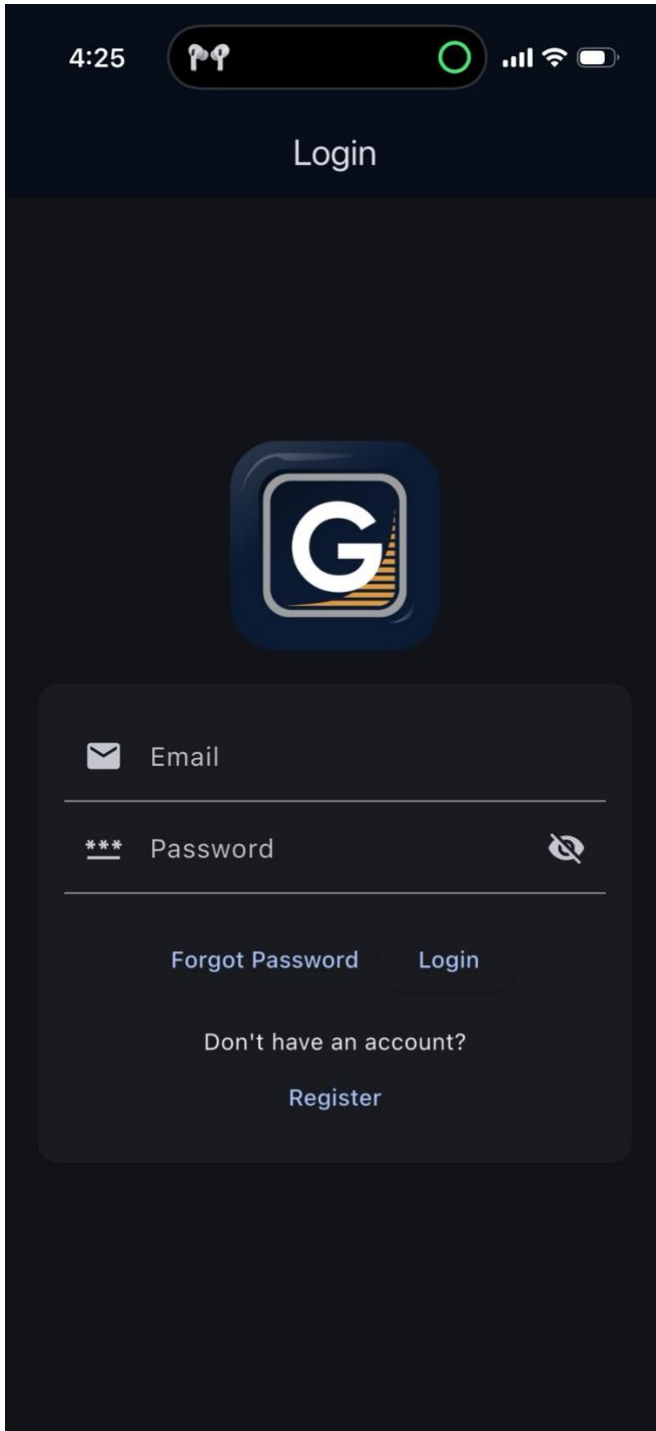

- The box at the top of this page contains your teams RAMP Gamesheets App – Team Code.

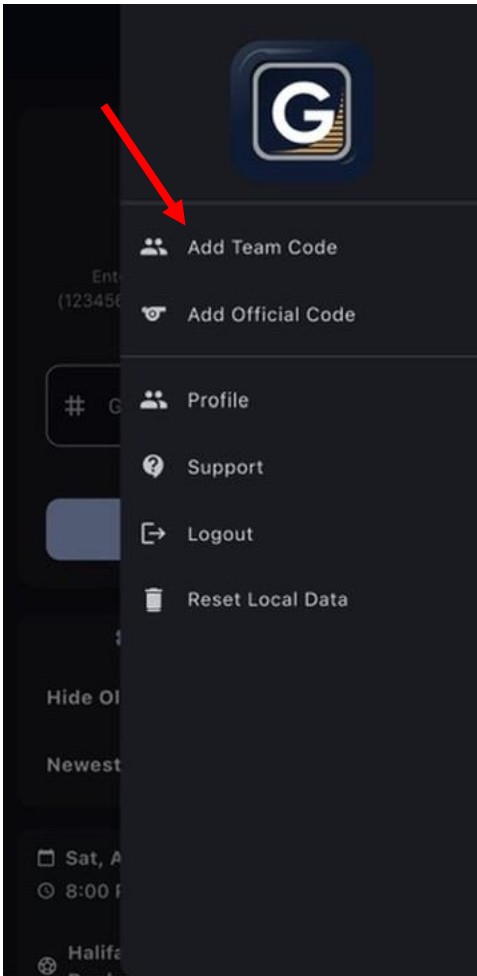

- Use the link on this page (image above) to download the RAMPGameSheets app on your phone. Alternatively search RAMPGameSheets from the Apple app store or Google Play store.

7. Login to your RAMP account, this is different than your registration account but is the same as your RAMP Team App or RAMP Unified Login (created above). If you do not already have an account, click the create register button. [CLICK HERE](#) to view an instructional video.

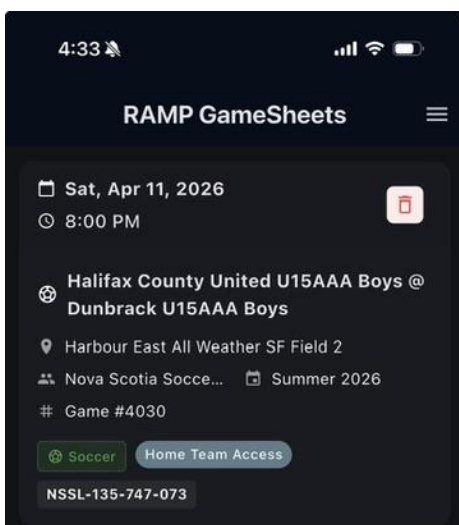

8. Once logged in click on the three lines in the top right corner and select Add Team Code. [CLICK HERE](#) to view instructional video for adding team codes and selecting game day rosters.

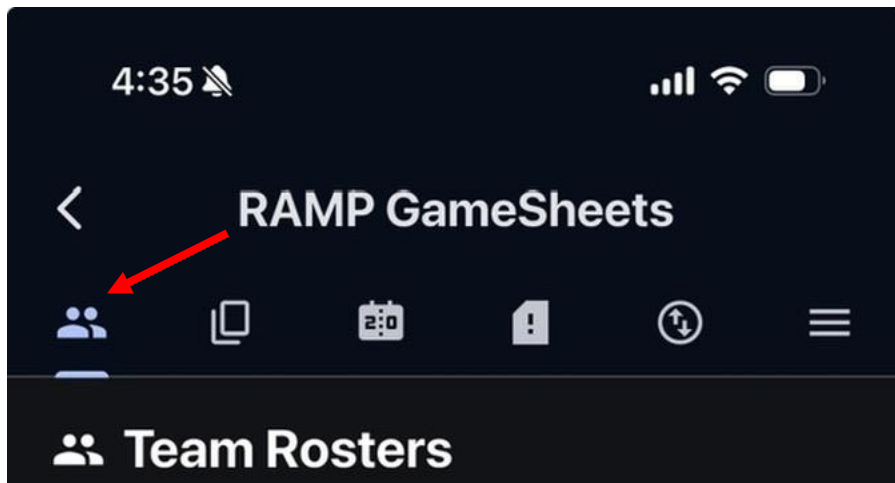

9. On the teams page enter your team code from the initial team page login (website, not the app). Then click “add code.”

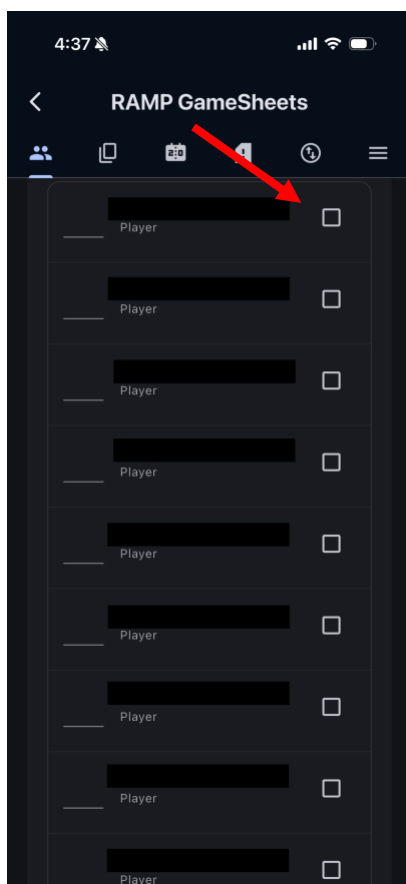

10. It will take up to 30 minutes to load the teams games, once it does populate your teams games. Once loaded they will appear below the box to enter a gamesheet code (which you should never need to enter so long as your team code has been entered).
11. This will pull up a list of your teams games, click on the game you wish to submit a roster for.

12. Select the roster button from the top menu.

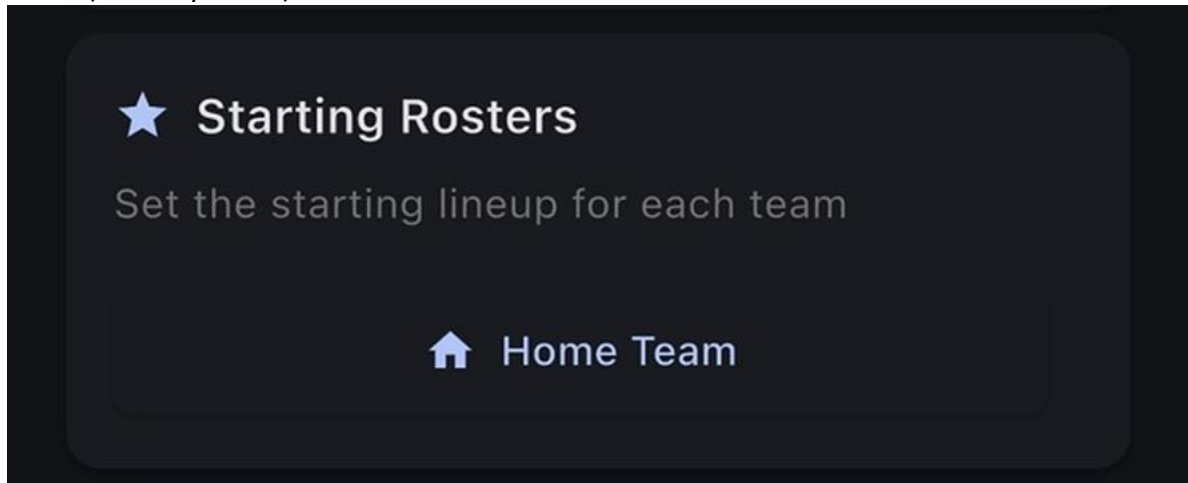

13. Check off the players **and** team staff who are in attendance on the bench.

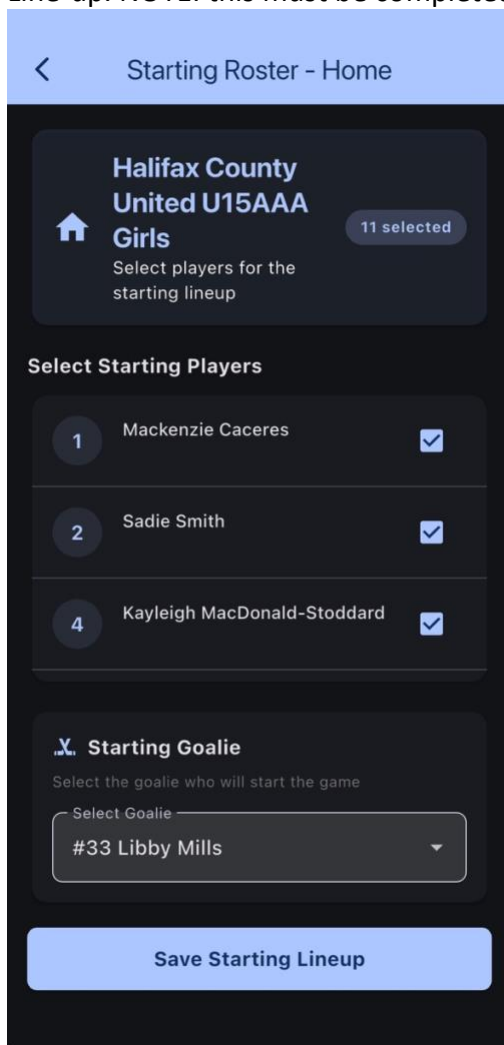

*Complete the same check boxes for team staff who are present on the bench for the game, located below players.

14. Scroll all the way the bottom of the page and in the starting rosters box select Home Team (or Away Team).

15. Select you 10 starting players as well as your starting goalie and select Save Starting Line-up. NOTE: this must be completed 45 minutes prior to kick-off.

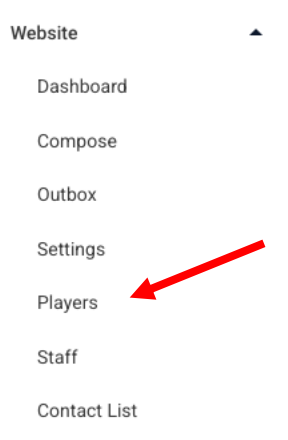

Other Team Page Functions

Update Jersey Numbers

This is done from the team login (not the app).

1. From the team login dashboard, click Players from the left menu

2. Click on the players name in the list.

ID	Jersey	First Name	Last Name
[REDACTED]		[REDACTED] Reg Sync	[REDACTED]

3. Enter the players Jersey Number in the space provided and click save. All other fields can be left blank.

A screenshot of the "Player" edit form. The form has a title bar with a pencil icon and the word "Player". Below the title bar is an "Upload Photo" button. The form contains several input fields: "Jersey" (with a red arrow pointing to it), "First Name" (with a redacted value), and "Last Name" (with a redacted value). Below these are "Position" (set to "Player") and "DOB" (with a redacted value and a calendar icon). There is also an "Email" field with a redacted value. At the bottom of the form are two toggle switches: "Affiliated Player (AP)" (checked) and "Hide From Public" (unchecked). Below the form are two expandable sections: "Optional" and "Optional Contacts". At the bottom right of the form are "Cancel" and "Save" buttons.

4. Repeat for each player on the team.
