

A portrait of a woman with blonde hair tied up, wearing red-rimmed glasses and a pink top, smiling. The background is black.

TEAM ALBERTA LACROSSE

About Stacy

U22 Female Box Manager

A dedicated mother of three girls, Stacy has been part of the lacrosse community for the last 15 years. Her involvement began as a team manager in Novice and grew into serving as President of Westlock Lacrosse, where her leadership and commitment were recognized with the GELC President's Award. As her daughters advanced to the major level, she continued her service to the sport by managing the Jr. Ladies Drillers. Over the years, she has volunteered as a trainer, coach, and manager, always seeking new ways to grow and support female lacrosse. She believes strongly in the power of sport to develop confident, capable human beings and remains committed to fostering that growth within every athlete she encounters.

Over the last three seasons, she has served as Manager of the U22 Female Provincial Box Lacrosse program, where her focus is on supporting players and staff physically, mentally, and emotionally. She is eager to return in 2026 and help the program continue to thrive on the national stage.
