About Blair

U17 Male Box Assistant Coach

Blair has been involved in lacrosse since 1985, when the Sherwood Park Titans were created, playing on the inaugural Pee Wee Titans. He continued playing lacrosse and hockey until junior year, when he focused his efforts on chasing a career in hockey.

Blair returned to lacrosse years later and competed for the Edmonton/Sherwood Park Outlaws, competing in many Presidents' Cups before finally capturing the elusive trophy in 2007. He began coaching when his boys started playing U7 and has coached two teams a season in Sherwood Park for the Titans, including U13A, where the Titans captured the provincial championship, and U15A, where they finished as runner-ups in the provincial final last season.

Blair was an Assistant Coach for Zone 6 in the Alberta Summer Games in 2023 and, last summer, the Head Coach of the Team Alberta U15 North Boys in the Prairie Cup, which took place in Regina, SK.

Blair contributes as much as he can as a volunteer within the lacrosse community and is a strong advocate for the growth of lacrosse as a sport and as a way to teach life lessons and develop young athletes for future success.
