

## HOW TO: HOST A MINI

Minis typically include 3 - 5 teams and DO NOT include a championship format nor medals. They simply are a series of exhibition games held over a day or two. If you structure the draw towards a champion, OR want medals, you are running a small tournament and need to contact [tournaments@barrieroyals.ca](mailto:tournaments@barrieroyals.ca)

### For Minis

1. Complete the "Request to Host..." form in Coaches Corner a minimum of 2 weeks prior to the event date.
2. Once permit and referees are confirmed you will be contacted by the Tournament Director.
3. Get commitments from visiting teams.
4. Contact Scott Mireault <[tournaments@barrieroyals.ca](mailto:tournaments@barrieroyals.ca)> to organize pick up of scorebook, score clocks or shot clocks as needed for your event.

### Paying for your Mini

Costs for your mini will come out of your budget. You should ask visiting teams to pay a fee to participate in your mini game. The visiting team e-Transfers the fee that you set to <[bod@barrieroyals.ca](mailto:bod@barrieroyals.ca)> with a *note that the payments is for your team's mini*. That fee will be deducted from the amount put onto your team budget.

Please send an email <[tournaments@barrieroyals.ca](mailto:tournaments@barrieroyals.ca)> and <[bod@barrieroyals.ca](mailto:bod@barrieroyals.ca)> with details of which teams and how much each team has been asked to pay.
