

HOW TO: HOST A SINGLE EXHIBITION GAME

1. Determine when you will be hosting:

- a. Convert one of your practice times. 1hr 15 minutes is sufficient for a game.
- b. Use an additional permit to be secured (weekends only).
- c. If you are limited to a specific weeknight that you don't have a practice scheduled you'll have to trade practice times for that week with another team to get the weeknight that you need.

Converting a practice time steps:

- Contact < tournaments@barrieroyals.ca> and < permits@barrieroyals.ca> to request permission for the change and permit changes (i.e. are you looking for access to scoreboard, bleachers)
- If you require officials for the game - please send an email to < tournaments@barrieroyals.ca> to request officials and minor officials, scoreclock, scorebook, shotclocks, etc.
- Cost to be added to your budget will be for officials (\$150/game) and minor officials (\$50/game for U10-U14 and \$75/game for U15-19).
- If you are getting the other team to fund a portion of these costs - please have the visiting team send an etransfer to < bod@barrieroyals.ca> noting it as an Exhibition Game payment and your team name.

Use an additional permit (weekends):

- Complete the "Request to Host..." form in the coach's corner section of the Barrie Royals website.
- Once permit and referees are confirmed you will be contacted by the Tournament Director.
- Coordinate with Tournament Director to arrange for pick-up of scorebooks, shotclocks and scoreclocks as required.
- Cost to be added to your budget will be for permits and officials U10-14 (\$310/game) U15-19 (\$335/game)
- If you are getting the other team to fund a portion of these costs - please have the visiting team send an etransfer to < bod@barrieroyals.ca> noting it as an Exhibition Game payment and your team name.

Requesting a specific weeknight you do not have a practice slot:

- Contact < tournaments@barrieroyals.ca> and < permits@barrieroyals.ca> to enquire about a permit on a specific night of the week. A trade will try to be facilitated with another team. You will need to give up a similar practice space.
- If you require officials for the game - please send an email to < tournaments@barrieroyals.ca> to request officials and minor officials, scoreclock, scorebook, shotclocks, etc.
- Cost to be added to your budget will be for officials (\$150/game) and minor officials (\$50/game for U10-U14 and \$75/game for U15-19).
- If you are getting the other team to fund a portion of these costs - please have the visiting team send an etransfer to < bod@barrieroyals.ca> noting it as an Exhibition Game payment and your team name.
