

FUNDAMENTALS: NCCP Community Sport

Ages 6-9

Coach Pathway Overview

About This Pathway

The FUNdamentals Pathway equips community, recreation, and house league coaches with the tools to create safe, fun, and inclusive basketball experiences for young athletes. Participants receive NCCP training credit for both stand-up and wheelchair basketball.

Workshop Topics

- Child-Centred Coaching
- Know Your Participants
- Safety
- Long-Term Development (LTD)
- Teaching Basketball Skills
- Practice Coaching
- Implementing Purposeful Games
- Putting It All Together

Learning Outcomes

Upon completion, coaches will be able to:

- Identify their role and their coaching philosophy
- Provide a safe, inclusive, and positive environment for children
- Understand basketball rules, equipment, and game modifications
- Teach basic basketball skills to youth athletes
- Coach games and activities appropriate for each stage of development
- Modify or create practice plans to meet athletes' needs

Key Content Highlights

- Child-centred coaching and knowing your participants
- Safety and emergency preparedness
- Long-Term Development (LTD) and age-appropriate coaching
- Teaching skills and purposeful games

FUNdamentals Pathway Requirements	
<i>To become Trained, complete the following:</i>	
FUNdamentals Workshop	4 hours
NCCP Make Ethical Decisions eLearning	1.5 hours
NCCP Emergency Action Plan eLearning	15 minutes

About The NCCP

Canada Basketball's NCCP coach education pathway is based on the Long-Term Development Model. It is evidence-based and designed to provide coaches with the tools they will need to coach athletes at each stage of development.

The coaching pathways allow you to start your coaching education at the level in which you currently coach. You may start your training at any stage to ensure you are learning in the context in which you are coaching.
