### Policy Statement

Background screening is one of three steps in the Responsible Coaching Movement. Background screening ensures that officials meet the important requirements to have direct contact with athletes and participants.

### Purpose

BC Soccer understands that screening officials is a vital part of providing a safe sporting environment. The purpose of screening is to identify individuals involved with BC Soccer sanctioned activities who may pose a risk to its participants.

### Standards

#### Application

Member Organizations and affiliated clubs will determine which individuals will be subject to screening using the following guidelines:

1. Category 1- Low Risk- Officials involved in low-risk assignments who are not in a supervisory role, not directing others, and/or do not have access to Vulnerable Persons.
2. Category 2- Medium Risk- Officials involved in medium risk assignments who may be in a supervisory role, may direct others, and/or may have limited or “in a group only” access to Vulnerable Persons.
3. Category 3- High Risk- Officials involved in high-risk assignments who occupy positions and/or authority or influence over the safety, fulfillment of needs and general sport experiences of athletes, vulnerable persons, and registered participants. Officials in this category have a supervisory role, direct others, and have access to Vulnerable Persons.

## Category 1- Low Risk

- Event volunteers without access to the field of play and those with administrative roles at events
- Older athletes hosting or participating in training sessions or workshops

## Category 2- Medium Risk

- Assistant coaches or volunteer head coaches of a club
- Officials who are typically under the supervision of another official

## Category 3- High Risk

- Full time officials
- Officials who travel with athletes
- Officials who could be alone with athletes
