<b>EACH TEAM HAS 4 PLAYDATES</b>		

**\*CEC and HF only have a girls team. The boys at that location will play eachother twice.**

**\*STM only has a boys team. The girls at that location will play eachother twice**

**This means the girls will take a little longer to finish.**

**You may not play everyone in your pool. Had to change a couple games to accommodate the teams with only a girls or only a boys team**

**A great example of what your host day would look like**
