EFHL U9 Season Schedule

The EFHL Operations Committee is excited to announce a new season structure that is being implemented for the 2026-2027 season. There is no change to the standards of play during the season, however, the season will be broken into the following sessions for all U9 Tiers 1-6.

Season Dates	Round	Number of Games	Format
Oct 3 – Dec 13	Tiering	9	Cross-Ice
Jan 9 – Mar 14	Regular Season	9	Full Ice

We are also very pleased to advise the league has decided and approved the weekend of October 31-November 1st a league blackout weekend for all U9 players. The tiering round will also end on the weekend of December 13th providing time for families to not have to worry about games during the Christmas Season.

We are excited to announce this new initiative approved by the EFHL Operations Committee for implementation during the 2026-2027 season.
