Players who do not reach their first threshold during tiering and regular season will have their totals rest for playoffs. Players who reach threshold 1 during tiering and regular season will continue to accumulate and face discipline throughout the playoffs.

Game Sheet Management:

- It is imperative that game sheets are entered in a timely manner with the correct penalty minutes to ensure correct data when sanctioning players
- Division Directors can suspend coaches when game sheets are not entered in a timely manner (48 hours) or correctly to reflect all penalties
- Game sheet input will be spot checked by Division Directors and Category Directors to ensure accuracy of input
