

Instructions on how to read the chart:

Players: Find your highest registered division under **Eligible Guest Players**. Any row containing your division identifies a division in which you may guest play.

Teams: Find your division under **Team in Division**. The divisions listed across that row identify the players eligible to guest for your team.

Guest Player Information

1. A player must be fully registered and rostered on a team to be eligible to guest play. For each team on which a player is fully registered, they are eligible for up to five (5) total guest appearances per season with other eligible teams, subject to the Guest Player Eligibility Chart above.
2. Kickstart Players are not eligible to guest play
3. Youth Guest Players: youth players require permission from their Technical Coordinator prior to guest playing with adult teams. Youth players must obtain written permission and have this emailed to: adult@fcgregina.com before playing the game.
4. Goalkeepers may guest play up to 10 (ten) games per season, per team for which they are eligible to guest. To qualify for the goalkeeper exception, the player must be identified as the goalkeeper on the game sheet and play as goalkeeper for the entire game.
5. Guest player eligibility is determined by the highest division in which a player is registered. Where a player is registered in more than one league, their highest level of play will determine their guest player eligibility. A lower-division registration cannot be used to gain additional guest player eligibility. For guest player eligibility, Men's, Women's and Coed registrations are considered together when determining a player's highest level of play.
