

FC Regina Alternate Payment Plan Policy

FC Regina is committed to making soccer accessible for all players. To support families who may require financial assistance, we offer an Alternate Payment Plan (APP) process. The following outlines our policy and expectations:

1. Responsibility to Secure Funding

It is the responsibility of the athlete and their family to pursue external funding if needed. FC Regina recognizes and supports programs such as KidSport, Jumpstart, and Dream Brokers. For more information and links to apply, visit:

fcregina.com/content/player-assistance-funding-opportunities

2. Payment Options and Roster Spots

A player's roster spot will only be confirmed once one of the following is in place:

- Full payment through the standard payment plan
- Approved third-party funding (e.g., KidSport, Jumpstart, Dream Brokers)
- An alternate payment plan arranged through the FC Regina office

All funding approvals or alternate payment arrangements must be finalized by **August 15, 2025**. Payment arrangements will need to be made for any registration fee amount still owing after funding is applied. Players who do not have a confirmed payment method by this deadline may lose their reserved spot.

3. Funding Approval Deadline

All funding approval letters (KidSport, Jumpstart, Dream Brokers, etc.) must be submitted to the FC Regina office no later than **August 15, 2025**. Failure to provide confirmation by this deadline may result in forfeiture of the reserved roster spot.

4. Alternate Payment Arrangements

If you are unable to pay using the standard credit card installment plan at the time of registration, you must contact the FC Regina office **before registering** to discuss and arrange an approved Alternate Payment Plan.

For assistance, please email: youth@fcregina.com

5. Purpose of This Policy

This policy is in place to:

1. Ensure that all players have a fair and secure opportunity to participate.
2. Provide team stability and avoid last-minute roster changes due to unpaid registrations.
