U15 Graham Tuer Challenge

Welcome to the 2026 Graham Tuer U15 AA Challenger. Graham was a long-time scout for NHL Central Scouting and a number of WHL teams including the Moose Jaw Warriors, Kelowna Rockets, and the Regina Pats. Graham also served as the assistant General Manager of the Regina Pats at one point in his hockey career. Graham was fortunate to receive many honours related to his participation in hockey over the years, including being inducted into the Saskatchewan Hockey Hall of Fame in 2017 shortly before he passed, but having his name attached to this tournament was one of his proudest moments.

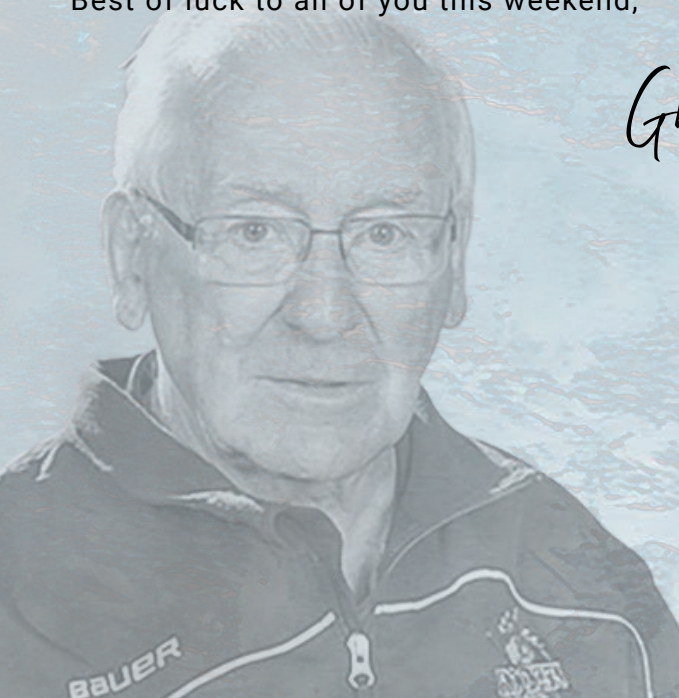

This tournament is one of the premiere U15 AA tournaments in Western Canada. It provides players and teams an opportunity to showcase their skills and compete against high level competition early in the season.

Graham loved hockey. He spent countless hours in the rinks scouting, but what he truly loved about this tournament was the opportunity to meet new friends and establish relationships with players, coaches, managers, and families of those who are participating.

On behalf of Graham's family, I would like to thank each of you coming to Regina and participating in this tournament. The facilities here allow us to watch all of the teams competing under the same roof and an opportunity to follow Dad's legacy and get to know some life-long friends while taking in this tournament.

Best of luck to all of you this weekend,

Greg Tuer

RICK MEARNS

The Rick Mearns Memorial Trophy

The Rick Mearns Memorial Trophy is a cherished award presented at the Graham Tuer U15 Challenge, formerly known as the Coaches Tournament. The trophy was donated by Rick Mearns' family in his memory, honouring his passion for hockey and the lasting impact he made on those around him.

Rick's love for hockey began at just five years old, when he started playing in Regina's Parks League. He later advanced to the Queen City Hockey League, now known as Hockey Regina, where he continued to develop as a player and learn valuable life skills, including leadership, teamwork and commitment.

Throughout his minor hockey career, Rick benefited from the guidance of his coaches and the support of his teammates, who played an important role in his development. His talent attracted attention from scouts and university teams very early on during his Peewee years, eventually leading him to play for the Prince Albert Mintos in the Bantam division. At this time Rick was also placed on the protected list of the Portland Winterhawks of the Western Hockey League (WHL), bringing him one step closer to his dream of playing in the NHL.

At just 16 years old, Rick left home to pursue his hockey dream with the Portland Winterhawks. While away, he faced challenges of adapting to a new environment and the demands of playing at a high level. Rick emphasized at that time, the importance of discipline, commitment, and determination in achieving success in the sport.

Tragically, on August 15th 1992, Rick lost his life in a car accident in Regina at the age of 17. In his memory, the Mearns family decided to donate a trophy for the Bantam Tier 1 tournament, as Rick played his final Bantam year in Regina at that level. The Portland Winterhawks also chose to unofficially retire his jersey, #10 in his honour and have said no one else will wear Ricky's number.

The Mearns family's act of donating the trophy keeps Rick's love for hockey alive in their hearts. They hope that every player gets a chance to hold the championship trophy above their head. The family continues to attend the final game of the Graham Tuer U15 Challenge to present the trophy to the winning team, ensuring Rick's legacy lives on in the hockey world.
