PLAYOFF FORMAT/OVERTIME:

There is no overtime in round robin (pool) games.

In playoffs, ties after regulation will be broken by a 5 minute stop time period of 3 on 3 sudden victory overtime. No ice clean after regulation, teams will have a 2 minute rest, penalties from regulation carry over to overtime.

If the game is still tied after 5 minutes of 3 on 3 overtime, a three player shootout will follow. The home team will decide whether or not to shoot first.

If still tied after the 3 player shootout, a sudden victory shoot out will take place until a winner is declared. Teams will use a different shooter for every round. The players used in the 3 player shootout are not eligible in the sudden victory shootout until all the skaters on the bench have shot.

Any player who has been assessed a game misconduct, game ejection, gross misconduct or match penalty will not be eligible.

PLAYOFF FORMAT/OVERTIME:

There is no overtime in round robin (pool) games.

In playoffs, ties after regulation will be broken by a 5 minute stop time period of 3 on 3 sudden victory overtime. No ice clean after regulation, teams will have a 2 minute rest, penalties from regulation carry over to overtime.

If the game is still tied after 5 minutes of 3 on 3 overtime, a three player shootout will follow. The home team will decide whether or not to shoot first.

If still tied after the 3 player shootout, a sudden victory shoot out will take place until a winner is declared. Teams will use a different shooter for every round. The players used in the 3 player shootout are not eligible in the sudden victory shootout until all the skaters on the bench have shot.

Any player who has been assessed a game misconduct, game ejection, gross misconduct or match penalty will not be eligible.

When a penalty is called in OT the penalized team will designate a player to the penalty box and the non-offending team will add a player.

THE TOURNAMENT COMMITTEE MAY ALTER GAME TIMES, LOCATIONS, AND ICE CLEANS AS WARRANTED

DANIELLE MUNSON

The Danielle Munson Memorial Trophy

The Danielle Munson Memorial Trophy is a cherished award presented annually at the Westridge Female Challenge to the U18A Division Champions. The trophy was named in 2025, honouring Danielle's passion for hockey and the lasting impact she made on those around her.

Danielle was first and foremost a hockey player, converting to the goalie position in her first year of U15, which was her greatest joy. She played with her own unique goaltending style. Danielle will forever be a Regina Rebel.

Danielle excelled academically but really enjoyed her time at school spent with her amazing group of friends. Danielle was quiet and shy but once you got to know her you would see how kind and loving her soul truly was. She had a sarcastic sense of humour that her friends and family often got to enjoy along with her laugh. Danielle was always there to help others going through tough times and was someone you could count on.

Tragically, on March 30, 2025, Danielle passed at the age of 16. In her memory, her family with the support of the Saskatchewan Community Foundation have created the Danielle Munson Memorial Scholarship which has been awarded to four graduating teammates of Danielle's in the 2025 and 2026 graduating classes and will continue to be awarded in Danielle's memory,

For more information or to support the Danielle Munson Scholarship, contact Lorna Sandberg (lorna.sandberg@saskfoundation.ca)

PLAYOFF FORMAT/OVERTIME:

There is no overtime in round robin (pool) games.

In playoffs, ties after regulation will be broken by a 5 minute stop time period of 3 on 3 sudden victory overtime. No ice clean after regulation, teams will have a 2 minute rest, penalties from regulation carry over to overtime.

If the game is still tied after 5 minutes of 3 on 3 overtime, a three player shootout will follow. The home team will decide whether or not to shoot first.

If still tied after the 3 player shootout, a sudden victory shoot out will take place until a winner is declared. Teams will use a different shooter for every round. The players used in the 3 player shootout are not eligible in the sudden victory shootout until all the skaters on the bench have shot.

Any player who has been assessed a game misconduct, game ejection, gross misconduct or match penalty will not be eligible.

When a penalty is called in OT the penalized team will designate a player to the penalty box and the non-offending team will add a player.
