

2026/27 SPONSORSHIP OPPORTUNITIES

SUPPORT GIRLS. SUPPORT HOCKEY. SUPPORT OUR COMMUNITY.

Dear Local Business Owner,

We are reaching out to local businesses and community leaders to request your support of the **Huntsville Girls Hockey Association (HGHA)** through sponsorship.

The HGHA is a not-for-profit, volunteer-run organization dedicated to providing a safe, inclusive, and empowering environment where girls can develop through hockey. Youth sports help build confidence, discipline, teamwork, resilience, and leadership skills that extend well beyond the rink.

With the rising costs of ice time, equipment, travel, referees, and tournaments, sponsorship support helps us keep hockey accessible to local families and provide girls with opportunities to play, develop, and participate in their community.

YOUR SUPPORT MAKES A DIFFERENCE

Sponsorship helps HGHA provide quality ice time, safe equipment, qualified officials, coaching resources, and opportunities to participate in hockey programs and events throughout the season. The HGHA annual tournament also welcomes more than **1,000 young hockey players and their families to Muskoka**, creating a positive economic impact for local hotels, restaurants, retailers, and other businesses.

By sponsoring HGHA, your business is supporting local families and investing in the future of girls' hockey.
