Re: Team Sponsorship

Dear Supporter,

LMHA hockey season is upon us once again. We have **xx** players on our **Division Level** team this year, with many family members and non-parent coaches volunteering their time and effort in coaching and organizing our team. We are asking businesses to consider sponsoring our team for team attire and/or tournament entry fees. A tournament entry fee for our team will cost \$**xxxx** per tournament. We believe the atmosphere of these tournaments teach our children good sportsmanship, team spirit, respect for teams across Alberta and most importantly – FUN!! One large aspect of team building is team unity, which bring us to the importance of the team attire. We are interested in purchasing **_____** for the players. We are asking for your assistance in helping to decrease the burden of the costs for our families and volunteers that believe in these players.

With your support this endeavor will be a great success and our children will enjoy a fun-filled and rewarding season.

Thank you for supporting Leduc **Team Name** in our goal to keep our children safe, active, and happy.
