An assortment of prints, gift items and digital products are available for purchase through the website.

Team Download packages are available for only \$89.00

ACKNOWLEDGEMENTS

The Leduc Minor Hockey Association would like to extend our heartfelt thanks to the incredible volunteers, tournament committee members, and families who dedicated countless hours to organizing and running the first-ever U9 Frostbite Jamboree. Your hard work, enthusiasm, and commitment were the driving force behind this event, and we are truly grateful.

For a first-year tournament, the U9 Frostbite Jamboree was an incredible success. From the energy in the rink to the smiles on the players' faces, the weekend exceeded our expectations and set a strong foundation for what we hope will become a cherished annual tradition within our association. To all the attending teams, players, and families: thank you for joining us in Leduc. Your sportsmanship, excitement, and love for the game filled the rink with energy and the stands with heart, making this jamboree a memorable success both on and off the ice.

Together, we continue to create memories, build friendships, and inspire a lifelong love of hockey. This event was made possible by each of you—our volunteers, families, sponsors, and community champions who show up, support one another, and help move our association forward.

thank you!
