

Mike Saramaga Photography is excited to be part of this year's LMHA Frostbite U9 Jamboree, capturing all the action. We will be rinkside, photographing the games throughout the tournament with the photos being available to be viewed online here:
https://mikesaramagaphotography.shootproof.com/gallery/LMHA_Frostbite_2026

An assortment of prints, gift items and digital products are available for purchase through the website.

Team Download packages are available for only
\$89.00

That's less than \$10 per player for unlimited access to download the hi-res images from your team's photos from the weekend.

With simultaneous games, across multiple arenas, we are unable to photograph every game. Every reasonable effort will be made to capture photographs for every team, vattempting to photograph all team members, but no guarantees can be made.
