FEBRUARY IS ALL ABOUT LOVE, FAMILY & HOCKEY

February may be the shortest month, but it's packed with heart. Between Family Day and Valentine's Day, it's the perfect time to celebrate what matters most!... Family, friends, and the game we all love. Whether you're spending the long weekend at the rink, cheering from the stands, or enjoying some well-earned time together at home, hockey has a way of bringing everyone closer. From rink laughs to post-game treats, this month is all about making memories on and off the ice.

Wishing all our families a happy Family Day, a wonderful Valentine's Day, and nothing but the best as we close out the season.

The Lethbridge Minor Hockey Association is heartbroken by the tragic loss of three young lives from the Southern Alberta Mustangs Junior Hockey Team.

As a hockey community, we mourn together and hold the families, teammates, coaches, and friends closely in our thoughts and prayers during this unimaginably difficult time.

Hockey is more than a game, it is a family. In moments like this, we lean on one another for strength, compassion, and support. Our hearts stand with the Mustangs organization and everyone impacted by this devastating loss.

For those who wish to help support the families, a GoFundMe has been established, and we encourage our community to give, share, and continue surrounding these families with love and care.
