 - They should have a PAH board member at parent meetings.
- **Referee:**

- **Tournament:**
 - The welcome packages for PAH tournaments are much appreciated.
 - 3 U11 City tournaments left before end of year.
 - Going to start closing registrations for January tournaments so the teams can make the draws.
 - Things brought to my attention so far are that the A teams are watered down compared to out of town. Teams do not want to come play at the Community Club Rinks.

 - Buckland would like to know what they can do so PAH rents more ice with them. This year PAH did not book any ice at Birch Hills or St Louis and we have not booked all the open ice at the city rinks on weekends.
 - City Meeting-Darcy, Brad and Corinne met with the city and went over ice rentals. Weekend ice not getting all booked at city rinks.
 - City of PA Fees-Curtis has sent us an email requesting payment. Board will look into this.
 -

- **Tri City:**

- **General Manager:**
 - City Meeting-City would like to have help with the nets between periods. This is not the refs jobs or the coaches but Darcy will send out to the coaches if they want to lend a hand.
 - Floyd Cook has sent me a proposal about helping teams through his company. Board has no issue with teams hiring him as long as he is not billing his own team.
