

## U18 Directors report 2025/2026

This year U18 was in Tier 2. We made it to the second round of playoffs. There was a lot of success for the boys this season. With next season approaching we only lose 1 graduating player so the idea came up to have a U16 team in Redcliff to give the opportunity for more players to have the chance to play. We are looking forward to next season and watching the success of this team again.
