Treaty Land Acknowledgement

Red Deer Minor Hockey acknowledges that we are located on lands within Treaty 6 and Treaty 7 territory, the traditional lands of many Indigenous peoples including the Cree, Saulteaux, Blackfoot, Nakota Sioux, and Métis peoples.

We honour their histories, cultures, and enduring connection to this land.

President's Message

As we reflect on another remarkable season at RDMH, I am proud to share how far we've continued to grow together. Each year brings new challenges and new opportunities, and once again our players, families, volunteers, and staff rose to the occasion with resilience, teamwork, and unwavering commitment to our hockey community.

This season highlighted our association's ability to adapt and move forward with confidence. From ongoing improvements in player development to enhanced support for our coaches and bench staff, our collective efforts helped ensure that every athlete—regardless of age or level—had the chance to learn, compete, and enjoy the game we all love.

I want to extend sincere appreciation to our outstanding office team. Their tireless work behind the scenes keeps our operations running smoothly and makes a meaningful difference in every program we offer. We are fortunate to have dedicated individuals who consistently go above and beyond to support our association's goals.

We are also grateful for the ongoing collaboration with the City of Red Deer. Their commitment to maintaining and improving local facilities directly supports our ability to run high-quality programs. As we continue working together, we look forward to adapting and enhancing our shared spaces to meet the evolving needs of our athletes and families.

Our continued relationships with Hockey Alberta, CAHL, and the Rocky Mountain League remain essential to the opportunities we can provide. Their leadership and support help ensure a competitive, structured, and positive environment for all players in our association.

A heartfelt thank you goes out to our volunteers, whose passion remains the backbone of RDMH. Whether assisting in arenas, coordinating schedules, managing teams, or supporting events across the city, your contributions create opportunities that would not exist without you. Your generosity shapes the experience of every player who wears an RDMH jersey.

PETER ENTZ

President's Message

We also extend special recognition to the players who achieved significant milestones or set new records this season. Your dedication, focus, and perseverance are a testament to the commitment you bring to this sport. These accomplishments reflect countless hours of hard work and represent the best of what our hockey community strives to promote.

As part of our commitment to Equity, Diversity, and Inclusion, we strive to create a welcoming and respectful hockey community for all. We are dedicated to ensuring every player has a fair opportunity to participate, grow, and enjoy the game.

To our sponsors—thank you for your continued belief in our mission. Your support strengthens our development programs, keeps our community accessible, and allows us to invest in improvements that directly benefit our athletes.

To all players, congratulations on your hard work and dedication this season. We witnessed tremendous growth, sportsmanship, and team spirit across every division. Your commitment continues to inspire all of us.

As we look ahead, I am excited for the continued progress we will achieve together. Our association is strong because of the people who make it come to life each day, and I am grateful for the trust you place in us. Enjoy a well-deserved summer break with family and friends. We look forward to welcoming everyone back in the fall as we build on the momentum created this year.

Thank you for being an essential part of this exceptional hockey community.

PETER ENTZ

General Manager Message

As General Manager of Red Deer Minor Hockey, I would like to extend my sincere thanks to our Board of Directors and to our President, Peter Entz, for his guidance and support throughout the season.

I would also like to recognize the tireless efforts of our office staff—Amy, Jackie, and Joanne—whose dedication behind the scenes ensures that our association continues to operate smoothly year-round.

To our nearly 400 coaches and 72 managers, thank you for the time and commitment you give, often sacrificing time with your own families and loved ones, to help create a positive and memorable experience for our athletes.

It is the countless volunteers across our organization who truly make Red Deer Minor Hockey thrive each season. It has been incredibly rewarding to see our association come together and continue to grow in all areas.

I am grateful for the opportunity to work in a game we all love. There is nothing better than seeing kids at the rink and on the ice with smiles on their faces, knowing the positive impact hockey is having on their lives.

We had another great season in 2025–2026, and I am thankful to all the families who continue to support minor hockey in our community.
