PETER ENTZ

On behalf of the Board of Directors representing RDMH, I would like to congratulate all parents and players on a successful season. It takes a tremendous amount of time and dedication from everyone to make it all work and provide an incredible experience for this great game. This season was filled with change and progress, and we sincerely appreciate everyone's commitment to the game and our association.

We would also like to recognize the hard work and dedication of the RDMH office staff. Your efforts behind the scenes keep everything running smoothly and make a significant impact on our organization. We also welcomed our new General Manager, Jason, to the organization. His first year came with no shortage of challenges, but his leadership and dedication were invaluable. We appreciate everyone's patience as we worked through the ice shortages caused by the Kinsmen plant outage. A special shout-out to Joanne for her incredible efforts in booking ice—equivalent to multiple seasons' worth—to ensure our teams had the opportunities to play.

A heartfelt thank you to our sponsors, whose generosity and support help make minor hockey possible in our community. Your contributions provide our players with the resources and opportunities to develop and enjoy the game.

Thank you to all players, parents, coaches, volunteers, supporters, and staff for making this season a success. Your passion and perseverance continue to strengthen our hockey community.

As the season wraps up, we wish everyone a wonderful summer away from the rink with their families. We look forward to continued progress and your ongoing support next year as we build on the momentum we've created together.

Thank you all for being part of this incredible hockey community!

GENERAL MANAGER MESSAGE

JASON STEPHENS

As I reflect on my first season with Red Deer Minor Hockey, I am filled with gratitude and appreciation for the incredible support I have received. First and foremost, I would like to extend a heartfelt thank you to the Board of Directors for their trust and collaboration as we navigated through this challenging yet rewarding year.

A special thank you goes out to Amy, Jackie, and Joanne, whose tireless efforts behind the scenes ensured that our hockey operations ran seamlessly. Your dedication and hard work have not gone unnoticed, and I am truly thankful for everything you do.

This season has been one of both challenges and invaluable experiences, and I am excited about the path we are forging together. The steps we have taken this year are just the beginning of our journey toward building on the great foundation that was laid before me as a forward-thinking, development-driven organization that looks to develop players, coaches and officials for the future of our game. I look forward to the years ahead, working together to continue to elevate Red Deer Minor Hockey and provide the best possible experience for our players and families.

Thank you for being part of this incredible journey.
