# RESHOOT INFORMATION

**April 28, 2026**  
**Appointments start at 5:00pm**

[CLICK HERE TO BOOK YOUR RESHOOT TIME](#)

Go towards the top of the bobsled track to:

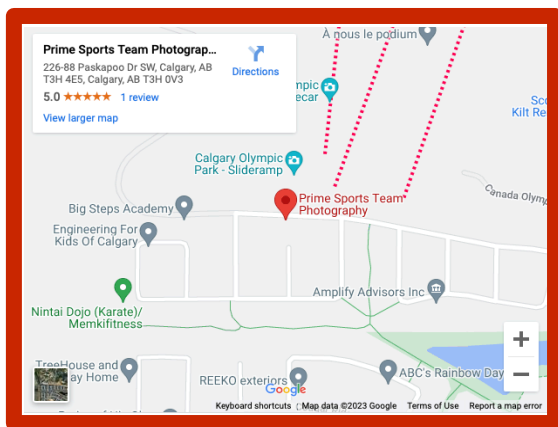

**226-88 Paskapoo Drive SW, Calgary AB**

We are just behind the top of COP in Cougar Ridge.

**\*\*Please note that you are unable to drive through COP without a road pass\*\***

Stay on Paskapoo Drive but before you get to the bobsled track and Daycare you will see a house with the Canada flag on the deck on the left side. This is our location.

Park on the road and go through the back gate, our door is the walkout basement door.

**\*NEW\* for 2024**

Retakes are now by appointment only. Please use the link above to book your time. Remember to bring your **uniform, ball and stick**. Running shoes or slides are fine. There is no charge for a re-shoot if your athlete simply wants individual photos. There is a charge of \$25 per player if they wish to be photoshopped into the team picture (in case the athlete missed the team photo). For siblings that need re-shoots the fee is \$20 per child.

We take credit or debit cards at the time of the re-shoot

# HOW TO ORDER

**Did you receive a link?**

I received a link via email from  
Prime Sports 24 hours After end  
of photo day

Follow the link to your child's  
gallery where you can order  
individual & specialty items

**My link is not working.**

Go to:

[primesportsteamphotography.com/order-photos](https://primesportsteamphotography.com/order-photos)

Or you can email:

[orders@primesportsteamphotography.com](mailto:orders@primesportsteamphotography.com)

If your child's gallery is blank, contains photos of the wrong athlete or your child does not come up on the search by name page please email:  
[orders@primesportsteamphotography.com](mailto:orders@primesportsteamphotography.com)

**Why can't I book for my makeup day yet?**

The photo scheduling link for your makeup day will be available starting the Wednesday before your scheduled date. We intentionally open access to the scheduling link six days before your scheduled Makeup photo day. This helps ensure that your league's time slots are reserved specifically for your league, preventing overlap with other leagues that may be scheduling around the same time.

We appreciate your patience and understanding as we work to keep the process fair and organized for everyone!

If you order within 14 days of the original shoot your photos will be delivered to the league with no shipping fees

**"I missed the deadline can I still get photos?"**

Yes! You can order up to 3 months after the original shoot.

Your order will be shipped to your home address

\*An additional \$7.00 processing and shipping fee will apply

If you are experiencing any problems during the ordering process, please email:
