

Faye Wear

1995 Inductee - Builder/Sportsperson Category

Faye Wear's contribution to Softball B.C. spanned across the late 1930's to the mid 1980's.

How appropriate Faye is being inducted today at the same time as Mr. Ward Lloyd, as Mr. Lloyd appointed Faye from the field to introduce the game and Softball B.C. to the province's youth in Vancouver when Mr. Lloyd was the British Columbia Amateur Softball Association President.

From player, coach, administrator and umpire, evolved a person who, with Shirley Randall, travelled at their own expense to teach pitching and coaching to young people in all areas of British Columbia. Faye was instrumental in giving young people an opportunity to be involved in our game.
