

Jean Martens

2005 Inductee - Builder/Sportsperson Category

The induction of Jean Martens into the Softball BC Hall of Fame is well deserved.

Jean Martens started her career as a builder in 1980, when she joined the Board of Directors as the Minor Director and retired from the Board in 2004.

Jean started as a player in 1954, and continued to be an athlete in our sport until 1977. During that time, Jean also coached, managed and umpired for five years. She also received her Level 2 certification in the

National Coaching Certification Program. With this background, Jean was qualified as a potential member for the Board of Directors.

During her tenure on the Board, Jean started as Minor Director and naturally evolved to the Senior Fastpitch Director position. Jean then became the second Vice President for a couple of years and then took on the Presidency for eight years. This was again followed as Past President for four years and in her last two, with some idle time, she took on the Slo-Pitch Director position.

It is my extreme pleasure to introduce Mrs. Jean Martens as the Softball BC Hall of Fame member.
