

Pam Chewpoy

2011 Inductee - Athlete of Distinction Category

Ms. Pam Chewpoy began her softball career as a catcher, but transitioned to pitching, which proved to be an excellent decision. Upon becoming a pitcher, Pam would win numerous Top Pitcher and MVP Awards. Pam played most of her softball career out of the Victoria Saanich Women's Softball Association (VSWSA) until her retirement in 2005. During 1992-1997, Pam was involved in something never to be duplicated to this day. Her team struck gold by winning 6 consecutive Western Canadian Gold Medals, quite the feat!

In 1992 and 1993, Pam had the opportunity to play in two Provincial Championships and 2 Western Canadian Championships in the Senior B Women's and Master's Divisions, respectively. Pam achieved an even more rare accomplishment of winning all four of those championships, claiming the Gold Medal every time! Also during those same years, she took home two Top Pitcher Awards at the Provincial level, as well as two Top Pitcher Awards and one MVP at the Western Canadian level.

In 1994, Pam received a Softball BC Award for Master's Athlete of The Year. In 1996, Pam's team (The Victoria Knights), received a Softball BC Award for Master's Team of The Year. Now retired from pitching, Pam continues to teach and share her wisdom and stories with younger generations. Inspiring pitchers everywhere to 'be strong' and 'in control'.
