

Zeone Andrijaszyn

2020 Inductee - Special Recognition Category

Zeone Andrijaszyn was a long time member of Softball BC. He began his softball volunteer time in Richmond, coaching the first of his four daughters, and carried on as a coach and a member of the Richmond Girls Softball executive. Zeone was instrumental in managing the financial affairs of the club and in raising funds to enable Richmond Girls to build a concession stand at McNair Park

Zeone's background as a chartered accountant and his dealings with RGSA led the Softball BC board, with Denn Biden as president, to recruit Zeone to the board of Softball BC in 2007. Zeone went on to serve on the board as VP Finance until his resignation in May of 2020, due to failing health. During his tenure as VP Finance, Zeone brought the organization back into financial health, overseeing many changes to the operation and a firm hand steering Softball BC to becoming a sustainable organization. It was always his dream and goal to see Softball BC become 100% sustainable financially, and to begin to build a solid contingency fund. Sadly his work was halted when his health faltered, but he left the organization in good hands with a succession plan and an achievable plan to reach his goal within a very few number of years.

Zeone was respected by everyone who came into contact or had any dealings with him. He was the consummate volunteer, dedicating untold hours and expertise to Softball BC, and being the epitome of someone who would always look at what was best for the entire province. He was modest, honest, personable, approachable and trusted by everyone.
