

Kevin Wagner Achievement Award – Bursary Application

The **Kevin Wagner Achievement Award** established in 2026 through a generous donation, in honour of Kevin Wagner— Athlete, coach, mentor, and longtime member of the Nova Scotia softball community. This bursary application honours Kevin Wagner’s legacy by supporting young leaders in softball as they pursue their educational and personal goals.

Kevin Wagner was known as a “gentle giant” with an even bigger heart. He played baseball and softball from a young age, competing in the Olands Intermediate League through the 1970s, 1980s, 1990s, and into the 2000s, most notably with the Red Fox, Captain Eli’s, and the Halifax Hitmen of the Metro Fastpitch League.

After leg injuries ended his playing career, Kevin gave back to the sport he loved by coaching with the Highland Park Minor Association. He guided athletes from the minor divisions through the women’s league, devoting countless hours to practices and games while creating lasting memories through team road trips and shared experiences.

Kevin was especially passionate about supporting the young women he coached, encouraging them not only to succeed in softball but also to succeed in life. His kindness, generosity, and leadership left a lasting impact on teammates, friends, and the broader softball community.

This award recognizes a current year Softball Nova Scotia member who demonstrates leadership in softball and is pursuing post-secondary education. [Bursary Application Form](#)
