2.0 SLLA Guiding Principles

The Sylvan Lake Lacrosse Association (SLLA) is grounded within a philosophical framework that guides our practice and the decisions we make in support of our membership and the sport of lacrosse. At the core of this philosophy is our mission vision and motto.

OUR MISSION: To be the premier source for the sport of lacrosse in Central Alberta through targeted efforts to increase local expertise in the areas of coaching, team building, player development and respect within the sport

OUR VISION: A safe, fair, fun and respectful lacrosse environment that encourages and supports active participation, positive effort, and optimal performance at all levels within the sport of lacrosse

OUR MOTTO: Active Participation; Positive Effort; Optimal Performance

SLLA honors and respects our opponent, the referees and minor officials in competition.

SLLA believes that participation in the sport of lacrosse develops a strong mind, strong body and strong spirit.

SLLA believes in the principles of fair play and respect within our sport: we believe that every player has the right to participate in the sport of lacrosse equally and without discrimination of any kind.

SLLA believes that the learning and development that occurs on the journey toward winning is ultimately more valuable to the participants than the actual win.

The Sylvan Lake Lacrosse Association expects all its volunteers, including board members, coaching staff, minor officials, players and parents to uphold these guiding principles when participating with Sylvan Lake Lacrosse.

4.0 Volunteer Commitment

The SLLA Board has identified many types of job functions, which occur both in-season or throughout the entire year. To ensure successful operations, it is imperative that the membership base volunteer to perform these tasks or that additional help be hired to complete the tasks. It is expected that ALL volunteering obligations will be met by the registrant's family member(s).

SLLA requires a \$200.00 deposit to be paid (per player) upon registration. EMT's are not accepted for volunteer deposit.

Each SLLA family is required to volunteer a **minimum of 10 hours per player**. It is expected that families will make every effort to disperse their hours among their children's team.

If the family is unable to complete a task, then the registrant must make alternate arrangements and inform the volunteer coordinator.

If a family does NOT complete their volunteer commitment, their volunteer refund will be forfeited. There is no allowance for partial volunteering, 100% volunteering effort or 100% payment (\$200.00) is expected.

Please keep track of your hours. It is up to each family to be aware whether they have completed their volunteer commitment.

A **volunteer reimbursement form** must be submitted for each player to their teams manager by June 10th. It is up to you to track and fill out the form with your volunteer hours/duties. The team manager will sign off on all forms where obligations have been fulfilled.

The Treasurer will make every effort to have refunds available for the close of the season. Mail outs will follow if necessary.

Volunteer Positions available but not limited to: Coach/assistant coach - Teams: manager, treasurer, photo parent, TeamSnap parent, timekeeper, scorekeeper, shot clock, jersey parent.....

5.0 Raffle Tickets

Each athlete is required to sell TWO (2) booklets of raffle tickets for the season, totaling \$100. Ticket booklets will be handed out at the parent meeting on the first night of practice. Families must return both the \$100 and all completed ticket stubs to the Team Manager no later than June 1, 2026. The raffle draw will take place on June 12, 2026. Participation in this fundraiser is mandatory for all athletes

Prize amounts will be announced once finalized, and winning tickets will receive:

1st – \$5000.00

2nd - \$1000.00

3rd – \$500.00

6.0 Volunteer Fee Reimbursement

- Timekeeper / Scorekeeper – home team will supply one score box worker for each game
- Timebox Scheduler
- Snack Parent – brings snacks to each game – can be included in your team budget
- Photo Day or Media Parent – sends photos to SLLA media to be posted on social media

Any disciplinary action would be governed by the SLLA discipline chair and any SLLA policies that may be relevant to the matter at hand.

Players:

1. I will play lacrosse because I want to, not because someone (my parents, my friends) wants me to.

1. I will not force my child to participate in lacrosse and remember that children play lacrosse for their enjoyment, not mine
2. I will try to arrange for alternate transportation if my child can't get to a practice/game on time so that they can have the necessary warm up. I will notify the coaches of any absences as soon as I become aware of them to allow coaching staff adequate time to ensure there are enough players for games/tournaments etc.
3. I will be a positive role model for my child. I will encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, referees/officials and spectators at every game, practice, or any team event. 11.0 Team Fundraising

Contact fundraising@sylvanlakelacrosse.com for all your enquiries, or potential fundraising endeavours.

- No fundraising can be started until parent and SLLA have approved the team budget.
- Before approaching sponsors, contact the fundraiser coordinator to ensure companies are not approached twice. Please only consider companies you have connections with for your team. Teams are not allowed to go door to door requesting sponsorship.
- Bottle Drives – routes are given out to teams on a first come, first serve basis. It is the team's responsibility to coordinate the route with the fundraising coordinator, so that no areas are canvassed twice.

12.0 Team Budget

At your first parent meeting you will set your team budget. The team will determine their seed fees to pay for tournaments, book extra floor time, snacks, etc. If you think for the season the fees will include \$200 season end party/team building, jersey deposit \$200, coaching & team staff gifts \$200 and you have 10 athletes, then the base start-up fee per player will be \$60.00 - this is just an example. Your team is always welcome to sponsorship and donations to help cover fees for the season. Please contact the treasurer to accommodate e-transfer payments in or out of your team account. Once your team has determined your team budget for the season, you will fill out the 'Sylvan Lake Lacrosse Association Team Budget' and forward it to the treasurer@sylvanlakelacrosse.com and president@sylvanlakelacrosse.com for approval. Once approved you will collect seed fees from your team and deposit them into the bank account by April 27th.

The Association requests that you do not approach companies without reaching out to Fundraising on the Board (fundraising@sylvanlakelacrosse.com). The team is always welcome to accept sponsorship/donations from a family member's business, if you inform the Board.

During the season there are costs associated with the team, tournaments are due, gifts need to be purchased before the apparel store closes and the season ends, extra floor time, team building activities, snacks, so please pay your seed fees before April 27th. If at any point during the season that you need to request more start-up fees, then please have a team meeting for discussion and approval.

After the season is over, the treasurer and manager will go over the fees collected and the costs associated with the team. If there are any monies left over, they will be split evenly between team members and returned to the parents.

Sylvan Lake Lacrosse Association Team Budget Form to be completed and returned April 13th to treasurer@sylvanlakelacrosse.com.

13.0 Team Bank Account

Managers and Treasurers are required to complete registration in RAMP and upload a clean criminal record check per ALA policy. Once this has been done, you can go to ATB – Sylvan Lake branch - to gain signing authority on your team bank account. When you attend the branch, you must bring a copy of the team meeting minutes that formally appoint the Manager and Treasurer. Managers and Treasurers do not have to go to the branch together. These minutes must be signed by the parents at the start up parent meeting to confirm approval of the appointments. Once you have been to ATB, please contact the Treasurer at treasurer@sylvanlakelacrosse.com to arrange a time to obtain your cash receipt book, deposit books and cheques for your team bank account. At this meet up, you will also sign your Jersey/Equipment deposit cheque and any tournament fee reimbursement cheques. These cheques will not be cashed until the team has had a chance to complete their fundraising.

Do not collect seed fees from families until you have received your folder from the treasurer. For audit purposes, CASH must have a written receipt, and no team related funds can go through personal bank accounts. No exceptions! Currently, we do not accept e-transfers for seed fees, cash and cheques only.

At the end of the season once your Jersey/Equipment have been returned you will receive your refund into the team account, then all remaining team funds need to be dispersed by July 31st, or the funds remaining in the team account will be forfeited to the association. If you refund cash, you need to write a receipt and have the parent sign the receipt. The treasurer folder then needs to be turned in including the deposit book, cash receipt book and any remaining cheques. You can place it in the black drop box at the Nexsource and then let the treasurer know that you have done so. Please feel free to reach out if you have any questions or concerns treasurer@sylvanlakelacrosse.com.

The Fall Back Rule Explained:

In those situations, the attacking team must fall back behind the center line. The goaltender must pass out of the crease and, once the pass has been completed and is in possession of a goaltender's teammate, the now defending team may come into their attacking half.

Goalkeeper Equipment

The Goalkeeper Exemption form has been changed using height-based criteria. Equipment manufacturers make equipment based on height and weight specifications. Adjustable straps on equipment ensure that the athlete has a safe and proper fit to their equipment.

Using these criteria, the expectation is that there will be fewer exemptions required as the athlete’s equipment is based on their height rather than their age category.

The Equipment Chart (12.10) below from the Lacrosse Canada Operations Manual outlines the height specifications for each piece of equipment and category. If the standard equipment is too big for a goalkeeper, they may go down a size without requiring approval from the Lacrosse Canada Equipment Review Committee.

21.0 Cross Checking in Lacrosse

CROSS-CHECKING IN THE GAME OF BOX LACROSSE

The cross-check in the game of box lacrosse is a legal play. Rule 40 of the CLA Rulebook states:
 "A legal cross-check shall be defined as a check applied with the portion of the stick held between the hands, on an opponent:

- From the front or side
- Below the shoulders
- Above the waist
- The extension of the arms while the check is being delivered is permissible."

The game of Box Lacrosse allows the cross-checking of players with the ball and without the ball. In Pee Wee and younger, the non-ball carrier can only be cross-checked inside the dotted line. In Bantam and older, the non-ball carrier can be cross-checked in the defensive zone.

The purpose of Rule 40 is to provide the guidelines of what is a legal and an illegal cross-check. The game of lacrosse is a physical game and the rules are in place to ensure fairness and player safety.

The cross-check is a skill that is part of playing defense. From a coaching perspective, it is critical that we teach players to play defense first. To know where the ball is, where the opposing player is, and how to prepare to help a teammate. A defender uses the cross-check on the ball carrier to stop the opposing player from getting into the prime scoring areas. A defender uses the cross-check on the non-ball carrier to stop the opposing player from advancing into the prime scoring areas to receive a pass. For example, if a non-ball carrier cuts through the middle of the floor, the defender can cross-check that player to deter their path towards the net.

The "Clear the House" mentality of playing defense needs to stop! Excessive force on the non-ball carrier is illegal and is a penalty. The referee has the discretion on whether a player is defending their zone or using excessive force against an opponent. Players need to use the cross-check as part of their defensive strategy, not in an attempt to hurt or intimidate opposing players.

Coaches can make a significant difference in the game by understanding the purpose of cross-checking, in its function and its implementation in the sport. The game of Box Lacrosse is inherently physical, it is why many people love the sport. The speed and contact make it a great game to play and watch. However, it is important to play the game within the rules, in order for the game to be safe for all participants.

22.0 Affiliation

REGULATION 12 – PLAYING IN A HIGHER DIVISION – AFFILIATION

12.01 Players may play a maximum of six (6) games per season in a higher division (which includes regular season play and CALL Championship Tournaments, but not exhibition games) to be reviewed annually. However, a player may play an unlimited number of games in a higher division once their team in their own division has concluded its regular season and CALL Championship Tournament. The CALL Executive Committee may make exceptions to this rule provided there is compliance with ALA rules and that those players register with a team in their age division.

12.02 Teams may affiliate to a maximum of eighteen (18) players and two (2) goalies. Any affiliate goaltenders must be dressed as goaltenders. Teams may carry a maximum of two (2) goalies. All affiliates must be drawn from the same club and in a lower division. U9 teams are permitted to affiliate first-year U9 players.

12.03 Club teams without a division below may affiliate from another team in their Local Governing Body. Players may not be affiliated if a conflict with their normal team exists. All players' first obligation is to their regular club team. Teams may affiliate from a lower division in another club within CALL, with executive approval prior to each game.

12.04 At no time will an A-tiered player be allowed to affiliate to a B or open team within CALL. This includes league play, exhibitions, or playoffs.

12.05 Girls residing in CALL but playing in the B Division Girls league (within another LGB) may be affiliated to the same level parity box team in CALL.

12.06 For U7 and U9, any coach may request the opposing team to share players in the interest of fair play.

12.07 All affiliations must be requested via email from the requesting team's head coach to the affiliate team's head coach. Should the affiliate's head coach approve the affiliation, they will then reach out to the parents of the said affiliate. It is the responsibility of the affiliate's head coach to track the number of affiliations and send each request to their club's designated board member.

23.0 Festivals

U7 and U9 Festivals are designed to give our youngest athletes a fun, development-focused experience. These events emphasize skills, drills, teamwork, and confidence-building, with a low-pressure environment that helps players fall in love with the game.

Festival Schedule

There are six Festivals scheduled throughout the season. All Festival dates are listed in the Season Timeline.

- Each Festival is a one-day event held on a weekend
- The Stettler Wind-Up Festival is the only exception and will run over two days, with games scheduled on both days

Games & Activities

Festival games and activity schedules will be posted on the SLLA website under “Games.” Managers should remind families to check the website regularly for updates and game times.

Focus on Fun

The primary goal of these Festivals is simple: Create a positive, energetic, and enjoyable experience for our youngest players. Managers help support this by keeping communication clear, encouraging families, and promoting a fun-first atmosphere.

24.0 Pirates on the Shore

Our Pirates on the Shore weekend is one of the most exciting events of the season for our U7 and U9 athletes. Because these divisions participate in festivals rather than tournaments, the focus is on creating a fun, memorable, and engaging experience for our youngest players — and that only happens with the help of dedicated volunteers.

To make this weekend truly special, we rely heavily on parent and community involvement. In previous years, families have helped bring the festival to life with activities such as bouncy castles, goodie bags, pirate-themed games, and prize giveaways. These elements make the event unforgettable for the kids, and we want to continue building on that tradition.

We are always looking for enthusiastic volunteers to help plan, organize, and run the festival. Whether you can assist with setup, activity stations, decorating, prize coordination, or general event support, your contribution makes a huge difference. Even a small amount of time helps create a magical experience for our young athletes.

Getting involved is a great way to support the team, meet other families, and be part of a fun, high-energy weekend that the kids look forward to all season.

26.0 CALL Minor Officials Guide

Central Alberta Lacrosse League Minor Officials Guide

The referees in the game shall have full control of the game, but the positions filled by the minor officials are extremely important. Thank you for stepping up to work the **score clock**, fill in the **score sheet**, run the **30-second shot clock**, or open the **penalty gates** — the game wouldn't happen without you! For every game, we request **Five** volunteers to be in the timebox for the duration of the game, arriving **15 minutes early**.

Please note: To maintain the safety and impartiality of the game, all timebox personnel must be at least 18 years of age, unless they are registered as an ALRA Official, or hold LC coaching certification.

The **home team** – Game Sheet, Shot Clock and Home Penalty Door

The **visiting team** – Time Clock, Visitor Penalty Door

Please be courteous and acknowledge that each volunteer may have questions or concerns prior to the game beginning.

As these positions are considered **game officials**, it is necessary that they be conducted with a degree of **impartiality**. Minor officials should refrain from cheering or coaching the teams on the floor.

Minor officials are entitled to the same protection offered to **on-floor referees** with regard to abuse. If a minor official is abused in any fashion, this abuse shall be reported to a referee on the floor, who may then apply the appropriate rule.

- **Time Outs**

Time outs are **45 seconds** in duration, and each team is allowed **ONE** time out per game. The time out is called only by a referee, at the request of a player on the floor, during a stoppage in play or when their team has possession of the ball. The shot clock does not reset after the time out (if the time out was called with 22 seconds left on the shot clock, it restarts at 22 seconds when play resumes). The referee may at any time call a '**referee time out**' for their own purposes (e.g., injury or other issues).

- **Minor Penalties**

When assessed without a coincident major, these are recorded on the **penalty clock** and require the removal of the player for **2 minutes**, or until a goal is scored, whichever comes first.

- **Coincident Penalties**

Penalties of equal duration that start at the same time and are assessed to players on both teams. Both are shown on the clock and play resumes with **4-on-4** play.

- **Double Minor**
- **Major Penalties**

When assessed to a single player, it is recorded on the penalty clock and requires the removal of the player for **5 minutes**. A 5-minute penalty is never shortened. If the non-offending team scores **two goals** during the power play resulting from a Major penalty, the penalized team may substitute a player from the bench, returning to full strength — however, the penalized player must remain in the box until the five minutes have expired, and may only return to the floor at a **dead ball**.

If fewer than two goals are scored during the major penalty, the player may return to the game immediately once the five minutes have expired; no stoppage of play is required.

If a player is assessed a **minor and major at the same time**, the minor is served **first**. If a goal is scored by the opposing team, it first applies toward the minor penalty. Subsequent goals apply toward the major penalty as noted above.

- **Dead Ball**

The clock is stopped for a **penalty, time out, or a goal**. The clock restarts at the referee's whistle. (Stop time play)

- **Misconduct Penalties**

These require the removal of the player for **10 minutes** and are never displayed on the main score clock. Ten-minute misconducts do not begin until after the expiry of any additional penalties. Any additional **non-coincident** penalties must be served by another player.

- **Game Misconduct**

Game Misconduct penalties require the removal of a player/goalkeeper for the remainder of the game and are never displayed on the penalty time clock. Any other penalties incurred by the player must be served by another player.

- **Multiple Penalties**

These situations arise when **multiple penalties** are assessed at the same time. These can become quite complex, but a few simple rules help:

- A team is always entitled to have at least **3 players plus a goalie** on the floor at all times.
- A team may not have more than **two penalties** running on the clock at the same time. Additional penalties must wait for one of the first two to expire before they can begin (most clocks can "stack" penalties and will automatically start new ones as others expire).

During multiple penalty situations, players may return to the floor only during a **dead ball**, or when enough penalties have expired to allow more than three players on the floor. If a team already has **5 players** on the floor (excluding the goalie), additional players must remain in the penalty box until the first **dead ball** after their penalty expires.

- **Offensive Timekeeper - 30 Second Shot Clock (Rule 26)**

The shot/possession clock operator must have a separate **timing device and horn** to signal the referees when a violation of the **30-second rule** occurs. The referee will indicate when a shot has been taken by verbally shouting and making a shot signal with their whistle hand (arm extended straight up, revolving the hand).

Operating the shot clock requires a **high level of concentration**. Mistakes happen — simply stay focused and watch carefully for the next shot or possession change.

- **Resets**

Following a shot on net (the ball striking the goal post or the goalie while the goalie is in the crease), the **shot clock is reset**. It is reset again when a team regains possession. For example, after a shot on goal and a reset, the ball could roll the entire length of the floor. The 30-second clock does not reset until the ball is picked up. Similarly, following a faceoff, the shot clock does not begin until a team has **clear possession** of the ball.

The shot clock always restarts at **30** after a **shot, possession change, or referee's whistle** to restart play, **except** after time outs or when a ball is lodged in a stick. In those cases, play restarts without a new 30 seconds of possession.

- **Possession**

Possession is defined as when a team obtains **clear control** of the ball. This possession continues until the ball becomes loose and the opposing team gains control. A player must have **control of the ball in their stick** to be deemed in possession — merely batting or kicking the ball is not considered possession. When time runs out, the horn will sound, and the referee will stop play and award possession to the opposing team.

- **Official Scorer (Rule 24)**

The **scorekeeper** must ensure that all **penalties, goals, time outs, and game information** (rosters, start and end time, date, game number) are entered in game sheet appropriately. All penalty abbreviations are available on CALL webpage and in Managers Binder.

- **Official Timekeeper (Rule 25)**

The **timekeeper** shall control the **playing time** and all **penalty times**, displaying them on the clock. They assist the scorekeeper with start and end times for penalties, as well as when goals are scored. The timekeeper must also inform players when penalties are about to expire and when they may leave the penalty box.

28.0 Yeti/Sasquatch

Our U7 to U15 athletes have the exciting opportunity to participate as Jr. Yettis and Sr. Sasquatch during the home games of the Sylvan Lake Yeti and the Sylvan Lake Sasquatch. This program gives our minor players a chance to step onto the floor with our older athletes, experience the energy of a real game day, and build meaningful mentorship connections that inspire confidence and love for the sport.

What the Players Get to Do

Our U7-U9 teams

- These teams will sign up as a team to attend either a junior or senior home lacrosse game. Players from the teams will participate as follows:
- Participate in a mini-game during intermission when team numbers allow
- Participate during the intermission to shoot on the junior or senior goaltenders
- Stay and watch the game afterward to cheer on their mentors

Our U11-U15 players

The players from these age groups will be able to submit their names into a draw to be a “ball boy or ball girl” for the junior and senior games. Those players who are selected will be on the floor during the team warm up to help been the balls do either end of the floor. They will help pick up all the balls off the floor prior to the game start.

Ball boys/girls will be able to wear a team jersey while they are on the floor with the team. They will remain on the floor with the team during the national anthem and be included in the team huddle prior to the game. They able to stay and watch the entire game.

As time permits, the junior & senior teams will try to get a team photo with the participants on game day.

What to Wear

The U7-U11 teams will be assigned a dressing room for the team to change in. They must wear full gear while on the floor and they will wear their own team jerseys.

The U9-U15 for ball boys/girls must wear helmet, gloves and appropriate running shoes and have their stick. Team jersey will be supplied to the players to wear.

This is a truly special experience for our youngest athletes. Being on the floor with older players builds confidence, excitement, and a sense of belonging. The mentorship they receive—simply by being included—is powerful. It shows them what they can grow into and strengthens the connection between all levels of our lacrosse community.

This program is always a highlight of the season, and we encourage all eligible players to take part. It’s fun, memorable, and an incredible way to grow their love for the game.

Players can sign up individually or as a full team by contacting:

president@sylvanlakelacrosse.com

Dates are available on the season timeline in this binder.
