Message from the President

Welcome to Timmins and to the 2026 NER Regionals!

We are thrilled to host this incredible weekend of ringette and to welcome so many talented athletes, dedicated coaches, officials, families, and fans to our community. The stage is set for an unforgettable few days of competition, teamwork, and passion for the game we all love.

Regionals are where hard work meets opportunity—where every shift matters, every save counts, and every moment has the potential to become a lasting memory. The energy you will feel in this arena, the determination on the ice, and the support in the stands are what make this event truly special. To our athletes—play with heart, compete with pride, and leave it all on the ice. To everyone supporting this event—thank you for being part of something bigger than the game itself.

We would also like to extend our sincere appreciation to our sponsors. Your generosity and support play a vital role in making events like this possible, and we are truly grateful for your commitment to our athletes and our community.

We are proud to host you, and we wish all teams the very best of luck this weekend.

Let the games begin!

A decorative graphic featuring several yellow stars of varying sizes, some with green motion lines trailing behind them. Below the stars are three colorful triangles: a cyan one, an orange one, and a pink one.

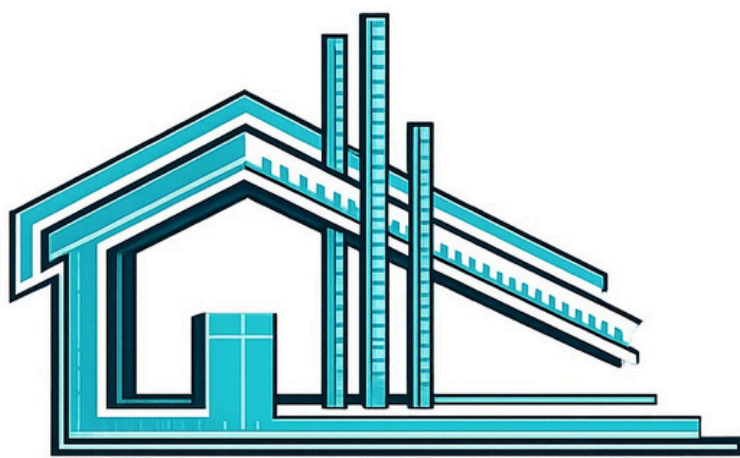

Thank You

The Timmins Ringette Association would like to thank our coaches, volunteers, players and parents for helping keep ringette strong in the north.
