PART A — ASSUMPTION OF RISKS, WAIVER, RELEASE OF LIABILITY, AND INDEMNITY

HOW TO READ THIS PART: Sections 1 to 3 (Activities, Risks, and Assumption of Risks) apply equally to every Participant, whether an adult or a Minor. In sections 4 and 5, each paragraph is labelled **ADULT REGISTRANT** or **MINOR REGISTRANT** — read and accept only the paragraphs labelled for your situation.

PLEASE READ CAREFULLY. Water polo and the activities organized by Water Polo Canada ("WPC"), the Provincial and Territorial Sport Organizations ("PTSOs"), and registered water polo clubs (collectively the "Organization") involve risks of injury that cannot be eliminated. By accepting this Agreement, the Registrant — or, where the Registrant is a Minor, the Parent/Guardian on the Minor's behalf — confirms that they understand and accept those risks.

1. Nature of the Activities

"Activities" means all activities associated with the Short-Term Program, including without limitation orientation and registration sessions, learn-to-play and instructional sessions, training, practices, try-outs, drills, skills and swim testing, scrimmages, exhibition matches, competitive games at the club and provincial level, league play, tournaments, camps and clinics, dryland and land-based conditioning, officiating and coaching, use of pools, change rooms, pool decks, gymnasiums, and other facilities, and spectating, in each case whether or not organized, sanctioned, supervised, or insured by the Organization, and travel to and from any of them, whether organized by the Organization or self-arranged. They take place in pools, training facilities, gymnasiums, and other locations selected by the Organization.

"Released Parties" means, collectively: WPC; each Provincial and Territorial Sport Organization; each registered water polo club; the owners, operators, occupiers, and lessors of any facility used for the Activities, including municipalities, school boards, universities, colleges, and private facility operators; the officers, directors, employees, volunteers, coaches, instructors, officials, referees, contractors, agents, and sponsors of each of them; other Registrants and participants; and the successors and assigns of each of the foregoing.

"Minor" means a person who has not reached the age of majority in the province or territory in which the Activities take place.

2. Risks That Are Inherent to the Activities

The Registrant or, where applicable, the Parent/Guardian acknowledges that the Activities carry risks of physical injury and other harm, including, without limitation:

- Drowning, near-drowning, submersion, water aspiration, hypoxia, shallow-water blackout, and hypothermia;
- Sprains, strains, fractures, dislocations, concussion and other head and spinal injuries, dental and facial injuries, and cuts and bruises caused by contact with the ball, equipment, the pool structure, or other participants;
- Cardiovascular events, heat illness, dehydration, and over-exertion;
- Exposure to communicable diseases through close contact, shared equipment, or shared facilities;
- Injury caused by the acts or omissions of other Registrants, opponents, officials, or spectators, including conduct that is negligent, reckless, or contrary to the rules of the sport;

- f) Equipment failure, facility conditions, and slips, trips, and falls on pool decks, wet surfaces, stairs, and in change rooms;
- g) Exposure to pool disinfectants, chlorine, chloramines, and other chemical agents used in the treatment or maintenance of aquatic facilities;
- h) Travel to and from Activities, including transport organized by the Organization and self-arranged travel;
- i) Inadequate, negligent, or absent supervision, instruction, coaching, officiating, lifeguarding, or emergency response; and
- j) The negligence of any of the Released Parties, including coaches, instructors, officials, referees, volunteers, facility owners and operators, and other participants.

3. Assumption of Risks

The Registrant or, where applicable, the Parent/Guardian, having read the foregoing, freely and knowingly assumes all risks inherent to or arising from the Activities, including without limitation those described in section 2. The Participant expressly assumes all such risks, whether or not foreseeable, known, or disclosed, and whether arising from the negligence of the Released Parties or otherwise.

The Registrant or, where applicable, the Parent/Guardian confirms that the Participant has received, or will receive before first entering the water, a pre-participation safety briefing covering water-entry and exit procedures, depth and shallow-water hazards, breath-holding restrictions, contact rules, and emergency signals, and that the Participant has had a reasonable opportunity to ask questions about the Activities and the risks described in this Agreement. The Registrant or, where applicable, the Parent/Guardian confirms that the Participant is able to swim and to remain safely in water over the Participant's head, or has disclosed to the Organization in writing that the Participant cannot.

4. Waiver and Release of Liability

ADULT REGISTRANT — The following paragraph applies only where the Registrant has reached the age of majority and is accepting this Agreement on their own behalf.

To the fullest extent permitted by law, an Adult Registrant waives any and all claims they may have, now or in the future, against the Released Parties, and releases the Released Parties from any and all liability in respect of any known or unknown, foreseen or unforeseen, loss, damage, injury, expense, or cost arising out of or in connection with the Adult Registrant's participation in the Activities, whether caused by the negligence of the Released Parties or otherwise. This waiver and release extends to liability for negligence, breach of contract, and breach of any statutory duty of care, including any duty imposed by the Occupiers' Liability Act (Ontario), Occupiers Liability Act (British Columbia), Occupiers' Liability Act (Alberta), The Occupiers' Liability Act (Manitoba), Occupiers' Liability Act (Nova Scotia), Occupiers' Liability Act (New Brunswick), and Occupiers' Liability Act (Prince Edward Island), and any comparable legislation, and, in provinces or territories where occupiers' liability is governed by the common law (Newfoundland and Labrador, Saskatchewan, Yukon, Northwest Territories, and Nunavut), any duty of care owed by an occupier at common law. This waiver and release further extend to any breach of a duty of care owed at common law by any of the Released Parties, whether that duty is owed as an occupier, coach, instructor, official, referee, organizer, supervisor, or otherwise, and whether or not that duty is also the subject of legislation in the applicable province or territory. To the fullest extent permitted by law, this waiver and release also extend to gross negligence. The Adult Registrant further covenants not to commence or maintain any action, claim, or proceeding against any of the Released Parties in respect of any matter released under this section.

MINOR REGISTRANT — The following paragraph applies only where the Registrant is a Minor. It is given by the Parent/Guardian in their own personal capacity.

Where the Registrant is a Minor, the Parent/Guardian, on their own behalf, assumes all risks inherent in and reasonably foreseeable from the Minor's participation in the Activities, including those described in section 2 and any other risks arising from the Minor's participation, whether or not caused by the negligence of the Released Parties. The Parent/Guardian, in their own personal capacity and to the fullest extent permitted by law, waives and releases all claims the Parent/Guardian has or may have against the Released Parties arising out of or in connection with the Minor's participation in the Activities, whether caused by the negligence of the Released Parties, breach of contract, breach of any statutory or common-law duty of care described above, or otherwise, including without limitation any derivative or dependant's claim under the Family Law Act (Ontario), the Family Compensation Act (British Columbia), or comparable legislation in any other province or territory, and any claim for loss of care, guidance, and companionship, loss of income, or out-of-pocket expenses. The Parent/Guardian further covenants not to commence or maintain any action, claim, or proceeding against any of the Released Parties, whether in the Parent/Guardian's own capacity or as litigation guardian or other representative of the Minor. The Parent/Guardian does not purport to waive or release the Minor's own claims, which are dealt with only through the indemnity in section 5 and only to the extent permitted by the law of the applicable province or territory.

5. Indemnities by the Adult Registrant and the Parent/Guardian

MINOR REGISTRANT — Indemnity given by the Parent/Guardian in their own personal capacity.

Where the Registrant is a Minor, the Parent/Guardian agrees, personally and in their own capacity and not on behalf of the Minor, to indemnify, defend, and hold harmless the Released Parties, to the fullest extent permitted by the law of the applicable province or territory, from and against any claim, demand, action, loss, damage, cost, or expense (including reasonable legal fees) brought by or on behalf of the Minor including a claim brought after the Minor reaches the age of majority, arising out of or in connection with the Minor's participation in the Activities. This indemnity does not extend to any claim to the extent it arises from the Parent/Guardian's own negligence or wilful misconduct.

ADULT REGISTRANT — Indemnity given personally by the Adult Registrant.

To the fullest extent permitted by law, the Adult Registrant agrees to indemnify and hold harmless the Released Parties from any claim, damages, and costs (including legal fees on a full-indemnity basis) brought by any person arising out of or in connection with the Adult Registrant's participation in the Activities, including any claim by a family member or dependant (including under the Family Law Act (Ontario), the Family Compensation Act (British Columbia), or comparable legislation), any claim by another participant or third party in respect of the Adult Registrant's acts or omissions, any subrogated claim, and any claim commenced in breach of the covenant not to sue, except to the extent the claim arises from the gross negligence or wilful misconduct of a Released Party.

6. Medical disclosure and emergency care

The Registrant or, where applicable, the Parent/Guardian agrees to disclose any medical condition, allergy, or medication that may affect safe participation, and authorizes the Organization's coaches, designated staff, and qualified emergency responders to provide first aid, arrange transport to a medical facility (including by ambulance), and, where the Registrant is a Minor and the Parent/Guardian cannot be reached in time, consent on the Minor's behalf to medical, surgical, dental, anaesthetic, hospital, or diagnostic treatment that cannot reasonably be delayed without risk to the Minor's health. The Registrant or Parent/Guardian remains responsible for the cost of care, except to the extent covered by provincial health insurance or by insurance provided by the Organization or by a sport federation.

7. Governing Law and Forum

This Agreement is governed by the laws of the province or territory in which the Activities take place, and the federal laws of Canada applicable therein. The Registrant or, where applicable, the Parent/Guardian attorns to the exclusive jurisdiction of the courts of that province or territory.

8. Consumer Protection

Nothing in this Agreement is intended to waive any right that cannot be waived under applicable consumer-protection legislation, or to exclude any liability that cannot lawfully be excluded.

9. Severability

If any provision of this Agreement is held unenforceable in any province or territory of Canada, that provision shall be (a) read down to the extent necessary to render it enforceable in that province or territory, and (b) severed only to the extent of the unenforceability; and the remainder of the Agreement shall continue in full force and effect. Unenforceability of any provision in one province or territory shall not affect its enforceability in any other.

10. Language

The Participant (or Parent/Guardian) confirms they have had the opportunity to obtain a French-language version of this Agreement and to seek independent legal or translation advice, and have elected to sign the English version.
